

Spark EV 1LT interior in Electric Blue.

Connected by  4G LTE

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. MyLink on Spark EV does not include functionality such as enhanced voice recognition, Gracenote and CD player. ² Data plan rates apply. ³ Requires Chevrolet MyLink and compatible iPhone running iOS 6 or later. ⁴ Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Visit onstar.com for details and system limitations. ⁵ Late availability. ⁶ Available on select Apple, Android, BlackBerry and Windows devices. Services vary by device, vehicle and conditions. Requires active OnStar subscription which is standard for 3 years. ⁷ BringGo app must be purchased separately. Requires compatible smartphone. Data plan rates apply. See dealer or call 1-855-4-SUPPORT (1-855-4-787-7678) for more information. Requires Chevrolet MyLink.

SEAT FOUR COMFORTABLY. With 86.3 cubic feet of passenger space, there's more room than FIAT 500e and Smart Electric Drive. Fold down the rear seat for even more room – enough for everything you need to bring along.

ENTERTAINMENT OVERLOAD. Access your favorite music and media with Chevrolet MyLink¹, which comes with great entertainment apps like TuneIn² global Internet radio and Pandora[®] Internet Radio². You can also utilize Siri Eyes Free³ as your personal assistant when you pair your compatible iPhone[®].

THE NEW CONNECTED. Whenever your vehicle is on, available built-in OnStar 4G LTE with mobile Wi-Fi hotspot^{4,5} is on too. It offers great signal quality and bandwidth for up to seven devices. Use the OnStar RemoteLink[®] mobile app⁶ to remotely lock and unlock your doors, remote start, get current diagnostic info, or contact an OnStar Advisor.

ACCURATE DIRECTIONS. Be confident about where you're going with available BringGo⁷, offering turn-by-turn directions, an Eco driving profile, and 3-D maps featuring lane suggestions, remaining distance and fuel cost.

AERODYNAMIC EFFICIENCY. A unique closed grille and ingenious shutter system provide excellent aerodynamics. The shutter system opens automatically when extra cooling is required, while the full-length underbody panel guides airflow and reduces drag.

**THE 2015 SPARK EV:
PURE. ELECTRIC. FUN.**

What's an electric vehicle doing with 327 lb.-ft. of torque? Well, for one thing, Spark EV does 0 to 60 in 7.2 seconds¹. Add to that 82 miles of electric range² on zero-emissions power and technologies like available OnStar 4G LTE^{3,4} with Wi-Fi connectivity and you have the most fun, most efficient EV you can buy.

WARRANTY

100,000-MILE/5-YEAR TRANSFERABLE POWERTRAIN LIMITED WARRANTY Every 2015 Chevrolet Spark EV comes with a 100,000-mile/5-year (whichever comes first) transferable Powertrain Limited Warranty. Plus, you get 100,000 miles/5 years (whichever comes first) of the 24/7 Roadside Assistance Program and 100,000 miles/8 years (whichever comes first) of the Courtesy Transportation Program, and much more. See dealer for details.

NEW VEHICLE LIMITED WARRANTY GM vehicles registered in the USA are covered for 36,000 miles/3 years (whichever comes first). The complete vehicle is covered, including tires, towing to your nearest Chevrolet dealership and cosmetic corrosion resulting

IMPORTANT INFORMATION

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

CHEVROLET COMPLETE CARE Every new 2015 Chevrolet Spark EV comes with 2 years/24,000 miles of scheduled maintenance that includes tire rotations and multipoint vehicle inspections. Covers only scheduled tire rotations according to your new vehicle's recommended maintenance schedule for up to 2 years or 24,000 miles, whichever comes first. Maximum of four service events. See participating dealer for other restrictions and complete details.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

ONSTAR OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for OnStar Terms and Conditions, Privacy Policy, details and system limitations.

A NOTE ON CHILD SAFETY Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.

from defects. Repairs will be made to correct any vehicle defect, and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 100,000 miles/6 years (whichever comes first). See dealer for details.

BATTERY LIMITED WARRANTY Spark EV battery and specific electric drive components are covered for 100,000 miles/8 years (whichever comes first). The Spark EV battery warranty covers 161 battery components in addition to the thermal management system, charging system and electric drive components. See dealer for details.

Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mini Car segment and latest available competitive information. Excludes other GM vehicles.

SPARE TIRE INFORMATION There is no standard jack or spare tire in the 2015 Chevrolet Spark EV. Your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unsaturated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

CHEVROLET.COM/SAFETY Chevrolet is committed to keeping you and your family safe – from the start of your journey to your destination. That's why every Chevrolet is designed with a comprehensive list of safety and security features to help give you peace of mind.

GM MOBILITY.COM (1-800-323-9935) GM Mobility[™] offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

THE BUYPOWER CARD The Chevrolet BuyPower Card – Every purchase you make with the BuyPower Card from Capital One[®] helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbypowercard.com/catalogs.

^{*} Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.

SPARK EV 2015

CHEVROLET 

“QUITE POSSIBLY
THE BEST ALL-ELECTRIC
SMALL CAR ON THE MARKET.”

— AUTOGUIDE.COM

Spark EV in Electric Blue.

PREMIUM MATERIALS AND INTELLIGENT DESIGN.
1. Get instant efficiency feedback and battery info from the LCD Driver Information Center.
2. The center 7-inch diagonal color LCD touch-screen displays energy usage and source of power.
3. Enjoy total control without your hands ever leaving the steering wheel.
4. This is your direct connection to the ingenious Electric Propulsion System.

1 Based on initial vehicle movement. 2 Using the portable 120V charge cord will take approximately 18 hours at the 12-amp setting. 3 EPA-estimated 119 MPGe combined city/highway fuel economy equivalent. Your actual range may vary. 4 Whichever comes first. See dealer for limited warranty details.

“...EASILY THE BEST-DRIVING EV
IN THIS PRICE RANGE.”

— EDMUNDS.COM, NOVEMBER 2013

ELECTRIC PROPULSION SYSTEM. Without a traditional transmission, 327 lb.-ft. of instant torque has nowhere to go besides directly to the tires and the road. Bottom line: 0 to 60 mph in 7.2 seconds!

REGENERATIVE BRAKING. Even the simple act of braking has been taken to the next level. This ingenious system captures energy that would otherwise be lost while braking, decelerating or going downhill and recycles it back into the battery. Now that's energy innovation.

CHARGING PORT. The standard 120V charging unit² fits household outlets and provides a full charge in 18 hours. Or have the available 240V charger professionally installed in your home and charge in only seven hours. Even faster charging is available with SAE Combo Fast Charging stations, providing an 80 percent charge in just 20 minutes.

LITHIUM-ION BATTERY. The thermal-conditioned lithium-ion battery delivers zero-emissions power and 82 miles of EV range³. The battery is backed with an 8-year/100,000-mile⁴ Battery and Specific Electric Propulsion Components Limited Warranty.
